

Wee Kids

For 3yr - Pre K

In Wee Kids we strive to provide a place for children to feel welcome and loved while they learn about God's love for them. The night involves play time, a video lesson, and craft time. The kids are able to learn in a format that is appropriate for them and be cared for by loving volunteers. They will also bring home a booklet so they can continue their learning at home. For this age we ask that you pick up and drop off your child at their room, A2, in the children's area. A few nights a year we have Family Nights where we encourage the whole family to come.

Our Wednesday night programs, which run approximately from September - March, start at 6:00 and end at 7:30. Prior to the programs, please come and share a free meal with us that we call "Fast Food". Serving starts at 5:15 and registration forms for our programs can be found in the lobby or on our website.

Wednesday Evening
