

Kids Count

K - 3rd grade

In Kids Count boys and girls are taught through a fun interactive DVD curriculum for part of the night, and then more interaction with our great volunteers during discussion times and lots of other fun activities. There will be nights with active games in the gym, craft times, and other activities. Overall a great time to experience and learn about God's love. Throughout the year we will also have Family Nights where the whole family is invited to come enjoy evening together. Kids Count finishes the year with the big Pine-wood Derby. We ask that parents pick up their child in the assembly room at the end of the night.

Our Wednesday night programs, which run approximately from September - March, start at 6:00 and end at 7:30. Prior to the programs, please come and share a free meal with us that we call "Fast Food". Serving starts at 5:15 and registration forms for our programs can be found in the lobby or on our website.
